

Gilbert and Sullivan's

The Mikado

from scratch

Two years ago we performed "Gondoliers from Scratch" in order to raise funds for the Fountain Centre which we, and many of our friends, had used over the previous 2 years. It relies on volunteers to run it and needs donations to help fund it. The Royal Surrey County Hospital is very lucky to have such a facility and so are all the people who are treated or living with cancer at St Luke's Cancer Centre. We had a really great time singing and the audience clearly enjoyed themselves so it seemed a winning combination for all concerned as we raised a really useful sum of money too.

We are therefore going to do it again only this time our scratch performance will be "The Mikado". The principals are already rehearsing. For the performance all those singing will read from their librettos and scores. We are raising funds for The Fountain Centre again but we are also going to share the spoils with Help for Heroes who have done such a brilliant job in raising funds to support members of Her Majesty's Forces.

We will need a good strong chorus to bring the production to life but on this occasion there will be no movement - it will be a concert version of the show. All members of the chorus are asked to wear something black and white with a splash of red
